CHAPTER ____

An act to make an appropriation in augmentation of Items 9840-001-0001, 9840-001-0494, 9840-001-0988, and 9840-011-0001 of Section 2.00 of the Budget Act of 1997, relating to contingencies or emergencies, to take effect immediately as an appropriation for the usual current expenses of the state.

LEGISLATIVE COUNSEL'S DIGEST

AB 2810, Committee on Budget. Budget Act of 1997: contingencies or emergencies.

The Budget Act of 1997 appropriated \$5,000,000 from the General Fund, unallocated special funds, and unallocated nongovernmental cost funds for expenditure for contingencies or emergencies upon written authorization from the Director of Finance. The Budget Act of 1997 also appropriated \$2,500,000 for loans to state agencies for contingencies and emergencies, upon terms to be prescribed by the Department of Finance, but which may not be made repayable from a future legislative appropriation.

This bill would appropriate \$268,163,000, as scheduled, in augmentation of these Budget Act appropriations. This bill would authorize the Director of Finance to withhold authorization for the expenditure of funds appropriated in the bill until preliminary estimates of potential deficiencies are verified. The bill would also require funds received for the federal share of costs pertaining to the deficiencies for the implementation of the Healthy Families Program to be repaid to the General Fund.

This bill would declare that it is to take effect immediately as a statute providing an appropriation for the usual current expenses of the state.

Appropriation: yes.

The people of the State of California do enact as follows:
